Details:

Secretary Hardy, a registered nurse, will administer the seasonal flu vaccine to Kanawha-Charleston Health Department Health Officer, Dr. Rahul Gupta during the annual employee flu shot clinic. Recent concerns about side effects of flu vaccine have been reported to public health officials. A photo and story of the West Virginia Department of Health and Human Resources cabinet secretary administering the seasonal flu vaccine to the local county health officer may send a positive message to the public about the importance of getting the flu shot, both seasonal and H1N1.
